

WHAT IS CRUISE CONTROL?

CruiseControl is a brand new product from COPilot, the nation's leader in Membership-driven automotive benefits. *CruiseControl* follows you, *not* your vehicle, unlike extended warranties.

CruiseControl not only provides you up to \$10,000 in Mechanical breakdown protection, but also provides you with unique benefits that you use every day, and coverage for items that help avoid breakdowns in the first place, such as:

- CO Oil Changes & Tire Rotations
- CO Fuel Savings at Participating Buc-ee's® & Gulf
- CO 24Hr Emergency Roadside Assistance
- CO Auto Deductible Reimbursement Benefit
- CO Coverage that Increases as You Need It
- CO Exclusive CO\$hare Reward Program
- CO No Long Term Contracts/Cancel Anytime
- CO Direct Access to ASE-Certified Technicians
- CO View Service History & Membership Online
- CO 24/7/365 LIVE Member Support

No one offers the value and quality COPilot and *CruiseControl* do. By working only with trusted credit unions (no dealerships or telemarketers), we keep the relationship completely focused on *you* - our Members! Because of this innovative approach, we are able to pass along substantial benefits and savings!

COPilot works with some of America's best companies to deliver unsurpassed benefits to our Members. These are just a few of our Preferred Service Providers that save you more with COPilot!

For complete details on coverage, exclusions, and limitations regarding benefits, please refer to the current *CruiseControl* Member Agreement Terms & Conditions or contact COPilot Member Support at 855-4-COPILOT (855-426-7456) or email us at support@copilotcard.com.

ABOUT COPILOT

The *COPilot* Concept was created out of a desire to bring true innovation to the automotive service protection industry, and to invent a better way for consumers to obtain needed benefits.

COPilot avoids the problems that traditional extended warranties and service contracts create by eliminating waste and greed from the process and fostering a lifetime Membership concept. When you join COPilot, you're really a part of something special, not just a one-time customer. We truly strive to keep our Members happy!

CO isn't part of our name by accident! We created a concept that is all about working together in cooperation with each other, our service partners, and our Members. Only COPilot brings this concept to the industry, and it's changing the way America shops for coverage.

Because we don't offer COPilot through agents or dealerships, we are also the most affordable option for protecting your family from automotive expenses. We pass all the savings onto our Members by offering more benefits and through our exclusive CO\$hare Reward!

CruiseControl is offered exclusively through *Institution Solutions* and its financial institution network. *Institution Solutions* is renowned for bringing the finest products and services to its partner organizations, increasing Member value, and delivering Credit Union Members an improved experience.
