SKIP-A-PAY: Leased Automobiles, Home Equity, Home Improvement, Mortgage and Business Loans are not eligible. Newly originated loans with less than 6 completed on-time payments are not eligible. For eligible loans qualifying factors apply including but not limited to a minimum of 6 completed on-time payments since most recent deferral. Acceptance of your request in person, by mail or electronically does not constitute approval. Skipped payment is added to the end of the loan term which extends the loan term at least one payment. Loan interest continues to accrue which increases the amount of interest paid over the term of the loan. Multiple Skip-A-Pays applied to any loan extends the repayment term of the loan by multiple payments and increases the interest paid over the term of the loan. In the event of a claim, Guaranteed Asset Protection (GAP) may be affected. Approved requests are eligible for one month only and must be submitted at least 3 days before the requested skip loan due date.
