United Heritage CU Opens Eleventh Location

AUSTIN, Texas (October 3, 2008)—United Heritage Credit Union opened their new Southwest Austin location with a ceremonial ribbon cutting held on Wednesday, September 24, 2008. This marks the eleventh location for the Credit Union with one more scheduled to open later in 2009.

Food days were held the week after the opening with hotdogs being served on Tuesday and barbeque on Thursday. The new 4,400 square foot location is a full service facility including state-of-the-art technology, four drive-thru lanes including one for commercial use, two drive-up ATMs, safety deposit boxes and plasma lobby displays. The design is traditional Texas Hill Country with extensive use of stone throughout. “We have a lot of members in South Austin so we felt the need to add another Credit Union location down South to serve those members,” said Sebrina Verburt, Senior Vice President Operations. “We are certain the response to this new location will be just as positive as the other two locations we’ve opened this year.”

###

The Credit Union began in 1957 as Military Federal Credit Union with only eight members and \$40 in deposits. Today, United Heritage has grown to over 62,000 members and over \$450 million in assets with ten locations and one more in the works.
