**United Heritage Credit Union Named a Top Workplace**  
*Employees Vote United Heritage a Top Workplace for Sixth Consecutive Year*

AUSTIN, Texas (November 16, 2015) – United Heritage Credit Union is pleased to announce that it has been selected as one of the Austin American-Statesman Top Workplaces for 2015. This marks the sixth consecutive year United Heritage has been awarded the Top Workplaces honor.

The Top Workplaces are determined based solely on an [employee survey](#) conducted by WorkplaceDynamics, LLP, a Pennsylvania-based research firm focused on organizational health and employee engagement. WorkplaceDynamics has conducted regional Top Workplaces programs with 45 major publishing partners across the United States.

WorkplaceDynamics surveyed United Heritage employees anonymously and asked them to evaluate the organization on aspects such as the quality of leadership, compensation and benefits, if the work is rewarding and other important factors related to job satisfaction. The positive responses ranked United Heritage 19 among the top 30 mid-sized businesses in the Austin area.

United Heritage CEO Buddy Schroeder says, “To be named one of Austin’s Top Workplaces for a sixth consecutive year is truly an honor. We know it’s the relationships we build and quality of our staff that make us unique and allow us to provide great service to our members.”

The Credit Union is thrilled to be named a Top Workplace again in 2015 and gives special thanks to the staff members who have dedicated their skills, service and enthusiasm to the continued growth and success of United Heritage Credit Union and its members.

The Austin American-Statesman published the complete list of Top Workplaces on November 13, 2015. For more information about the Top Workplaces lists, please visit [topworkplaces.com](http://topworkplaces.com).
