

United Heritage Credit Union Donates over 14,000 Diapers to Support Local Families' Needs

The United Heritage Charity Foundation Sponsored PATH's April Donation Drive

AUSTIN, Texas - May 11, 2023 - [PRLog](#) -- Together the United Heritage Charity Foundation (UHCF) and United Heritage Credit Union (UHCU) helped to support communities in East Texas by hosting a diaper drive to benefit PATH, a local non-profit based in Tyler, Texas. Over 14,000 diapers were donated from employees and members alike, to help support local families. Each year, PATH puts on various drives to help alleviate the cost of disposable diapers which could be on average a monthly cost of \$70, which is about \$840 per year. The donations collected will be given to PATH, in Tyler, Texas, and will be stored and distributed to local families throughout the year.

Many low-income parents across East Texas come to PATH for essential items, so PATH partners with sponsors to help meet the demand. The Charity Foundation along with the Credit Union offered to hold a Diaper Drive benefiting PATH for the month of April. The closest diaper bank to those in need is located in Dallas which is over an hour and a half away. PATH is one of the only agencies in the region that regularly distributes diapers.

The UHCF Board is pleased to see the Credit Union's employees and members participate in giving to this meaningful cause, as it helps to provide families with a basic necessity. "It's been great to see what our members and employees have been able to donate for this Diaper Drive. We can't wait to deliver all of these diapers to PATH. We're thankful for the opportunity to contribute to such a worthy cause," commented Chairman Chelsea Schrimpf. United Heritage Credit Union is committed to supporting local organizations that serve the communities and help to better improve the lives of others.
